IYOUNG DESIGN GROUP

About company

Introduction

WE BUILD THE BEST

Acknowledged by top global companies

IYOUNG DESIGN GROUP is acknowledged as a professional interior company by world's top global companies.

Design and construction departments consist of talented professionals with high level of experience obtained through variety of diverse projects to provide better services to fit each project.

IYOUNG DESIGN GROUP has developed a diversified business model through wide range of research and development. We emphasize on improvement and stabilization of technical skills for quality management and always emphasize on competencies to emerge from the current position to a higher place.

We will always grow as a leading company by enhancing competitiveness through developing innovative process and system.

About Company

Architectural Philosophy

MEET CLIENT'S NEEDS

IYOUNG DESIGN GROUP always starts with understanding the thoughts of customers and committed to the success of customer projects based on the professional knowledge and sensibility.

With honesty and credit as priority and works with all the interference of forces for the development of further architecture industry.

Comply with promised time with customers and based on the experience and skills and taking into account the specificities of each project together with experts with a high level of design and construction experience aims to produce the best results.

Creative design, outstanding construction capabilities and eco-friendly construction will create the best space for customers and the environment.

History

GLOBAL IYOUNG

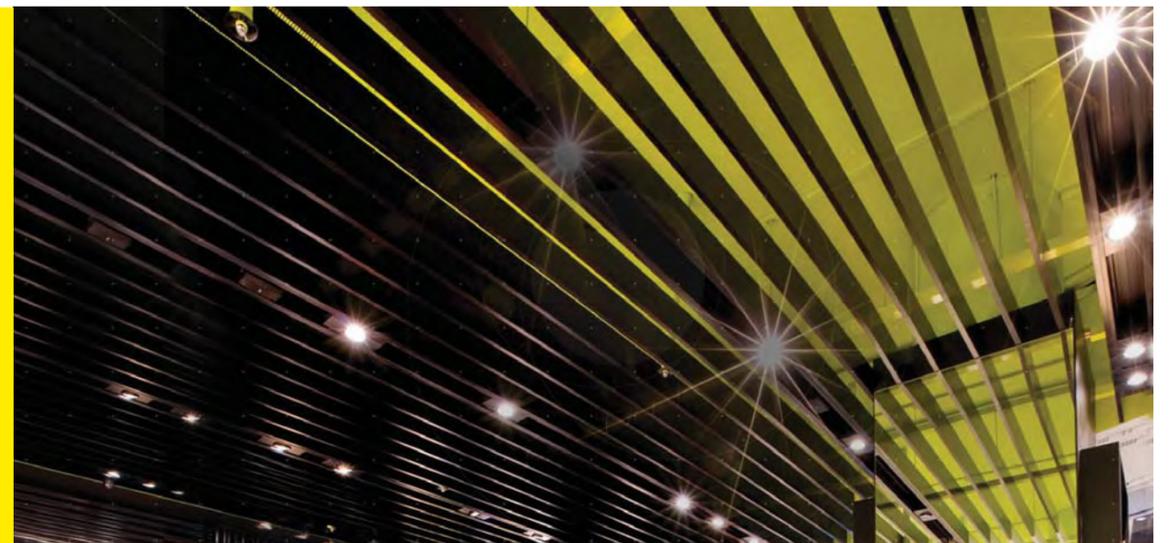

IYOUNG DESIGN GROUP, reorganized in 2008, headquarter is located in Seoul Korea and has a branch in Beijing China. We conduct interior business and perform general construction, PM/CM and trading.

Since the reestablishment of the firm, we successfully performed various projects including finishing interiors of retail business, housing and office.

IYOUNG DESIGN GROUP contracted partnership with the world largest fashion group like Spain Inditex and world leading global companies, also we perform construction projects throughout South Korea and China. This can be a good example to validate IYOUNG DESIGN GROUP's high quality skills and service.

Currently, we offer more specialized service, we are dedicated to serve as a Total Solution Provider in Asian Market.

ZARA_COEX

completed date	2008.
address	Samseong-dong, Gangnam-gu, Seoul, South Korea
project manager	Sunyoung Jeon
construction staff	Hyeongki Cho
drawing staff	Okhee Park
maintenance staff	Deokjin Yun
store concept	The first Zara store to open its door in Korea was in the Coex Mall, the main shopping centre in the capital city's financial district. The shop's layout reflected an innovative approach to interior design that put Zara fashions at centre stage. With the successful completion and pleasing quality of the construction, IYoung Design Group won the favor of Inditex Group and continued to collaborate since then.

ZARA_Garosu Street

completed date	2012.
address	Sinsa-dong, Gangnam-gu, Seoul, South Korea
project manager	Jinsun Park
construction staff	Soonjong Ju
drawing staff	Okhee Park
maintenance staff	Cheolmin Yeom
store concept	ZARA's new collection store launched in the Garosu Street, Seoul's hottest shopping destinations had been three months in the making. It is now a three-story shop, high street boutique-style with a sleek vertical slate facade, black and white shopfit and a gray floor providing a chic and modish feeling.

MASSIMO DUTTI

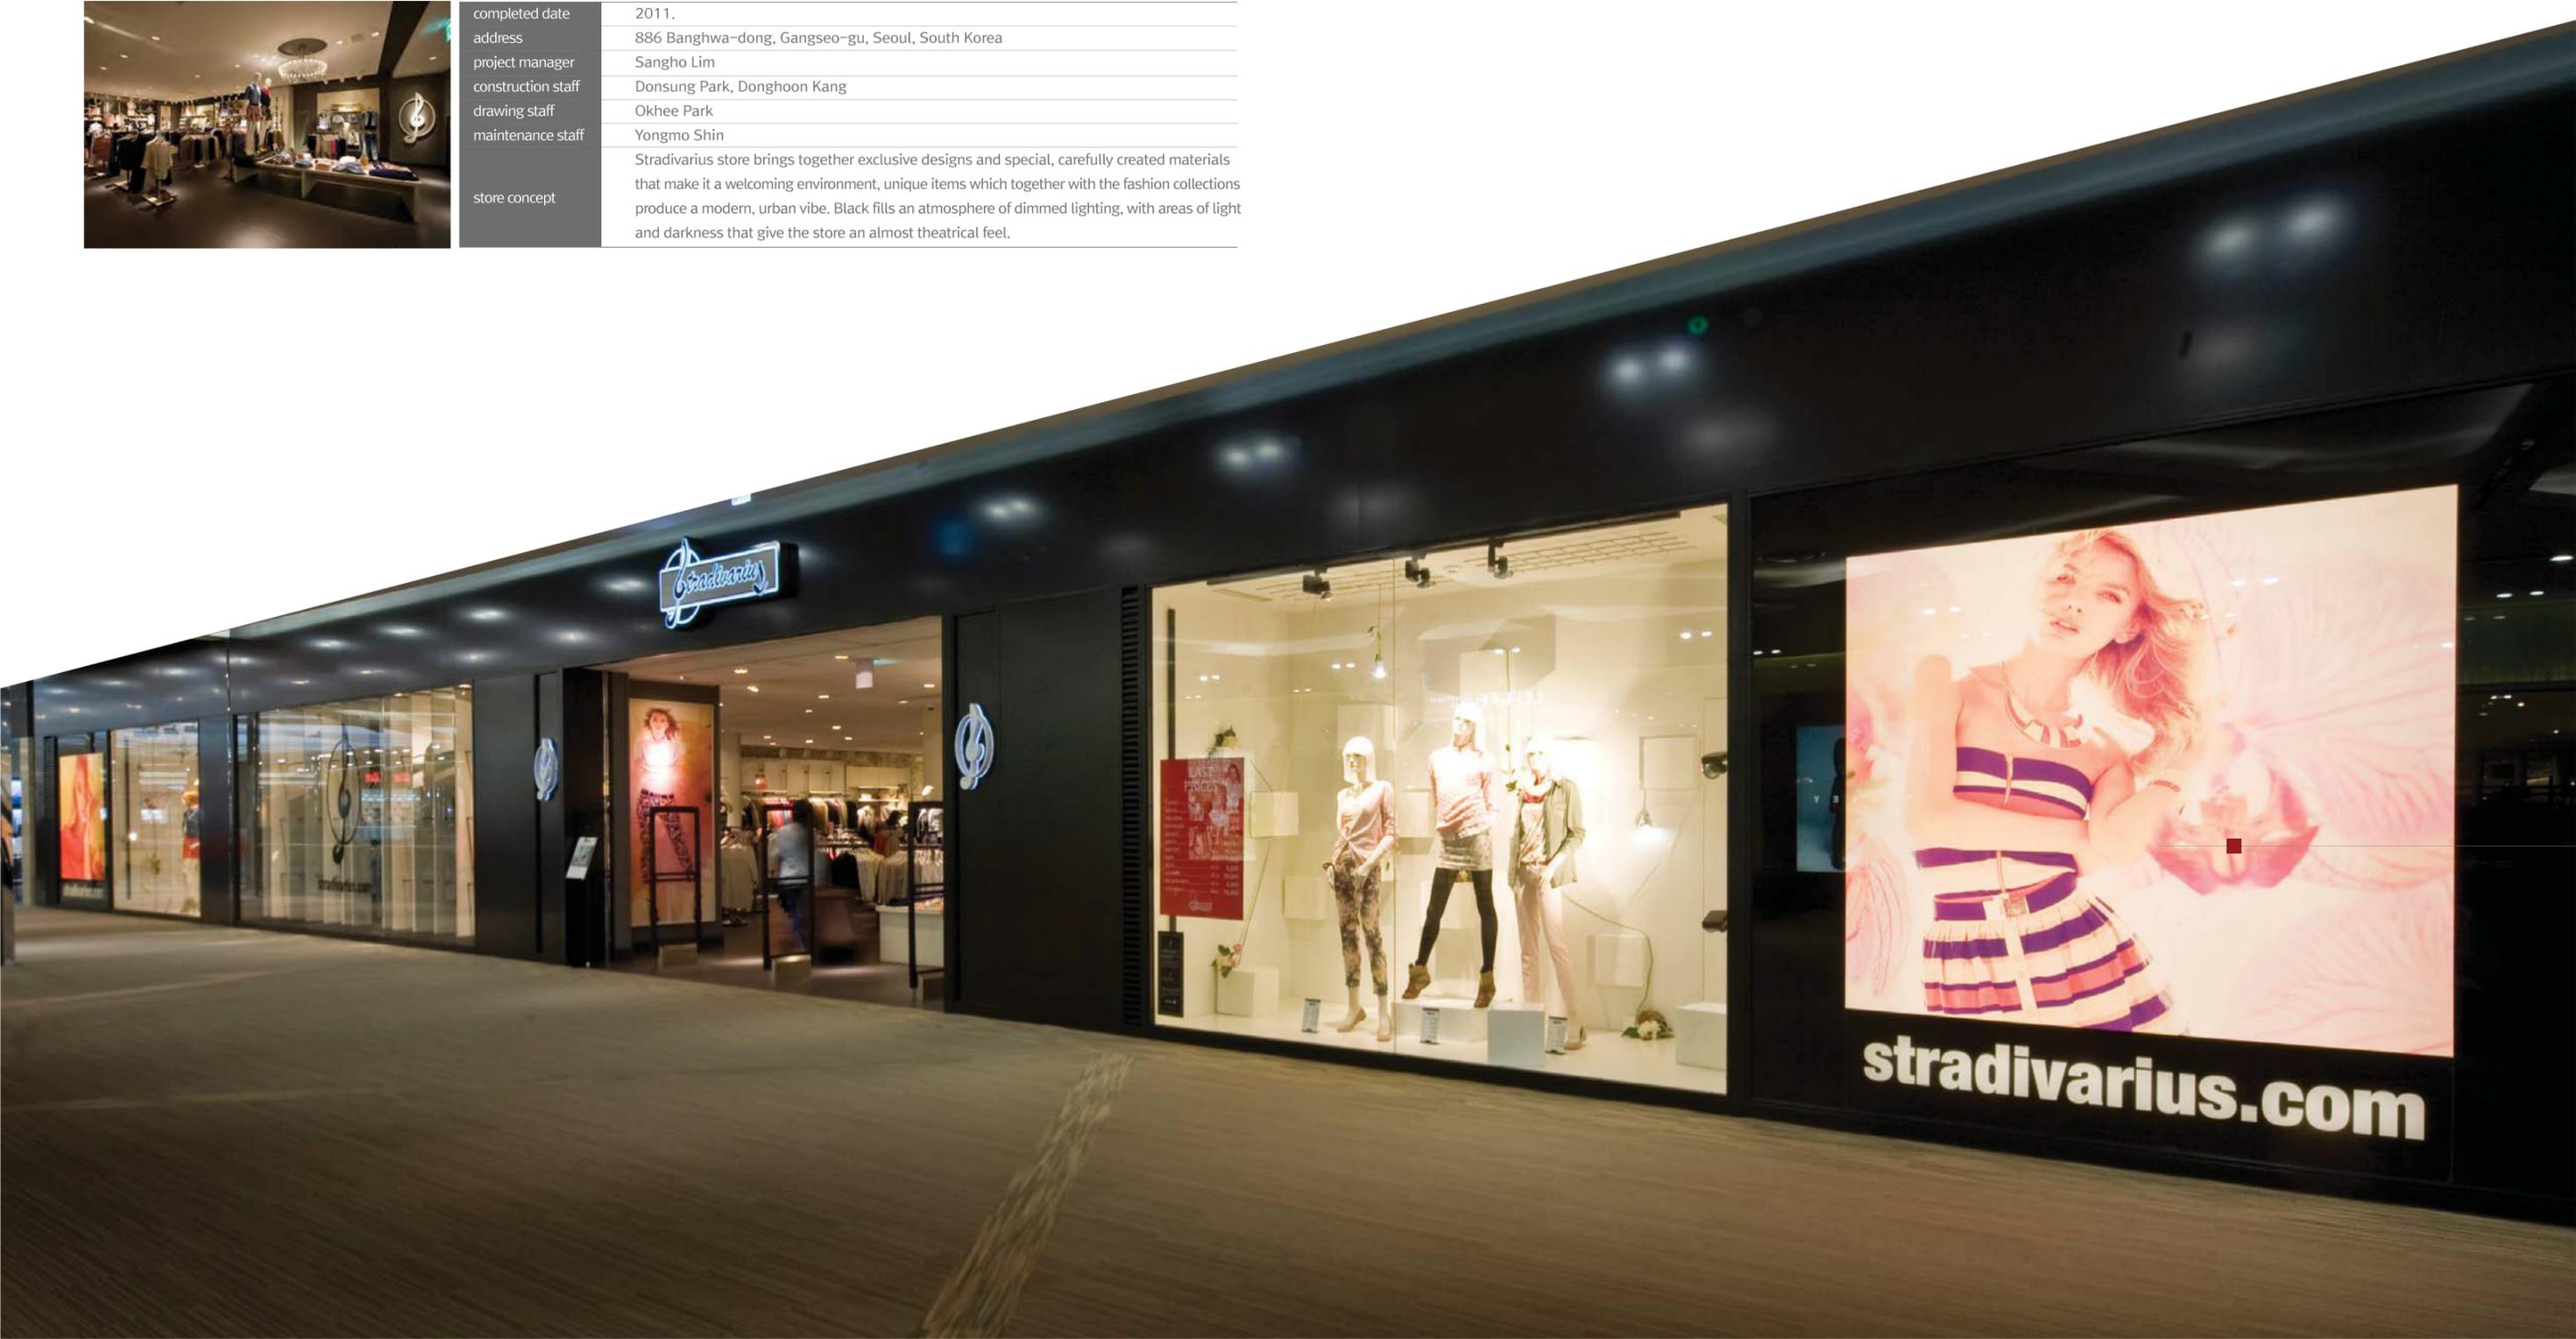

completed date	2010.
address	Sinsa-dong, Gangnam-gu, Seoul, South Korea
project manager	Sunyoung Jeon
construction staff	Soonjong Ju
drawing staff	Annsook Jung
maintenance staff	Hyuncheol Jeong
store concept	Massimo Dutti is one of the sub-brands of Inditex Group whose retail store is 664 square metres big and are outfitted with it's new store image, in which dark marble, leather and walnut predominate in a mix of modern lines and classic details. Store lighting is designed to produce sharp contrasts that showcase the collections while making responsible use of energy.

Stradivarius

completed date	2011.
address	886 Banghwa-dong, Gangseo-gu, Seoul, South Korea
project manager	Sangho Lim
construction staff	Donsung Park, Donghoon Kang
drawing staff	Okhee Park
maintenance staff	Yongmo Shin
store concept	Stradivarius store brings together exclusive designs and special, carefully created materials that make it a welcoming environment, unique items which together with the fashion collections produce a modern, urban vibe. Black fills an atmosphere of dimmed lighting, with areas of light and darkness that give the store an almost theatrical feel.

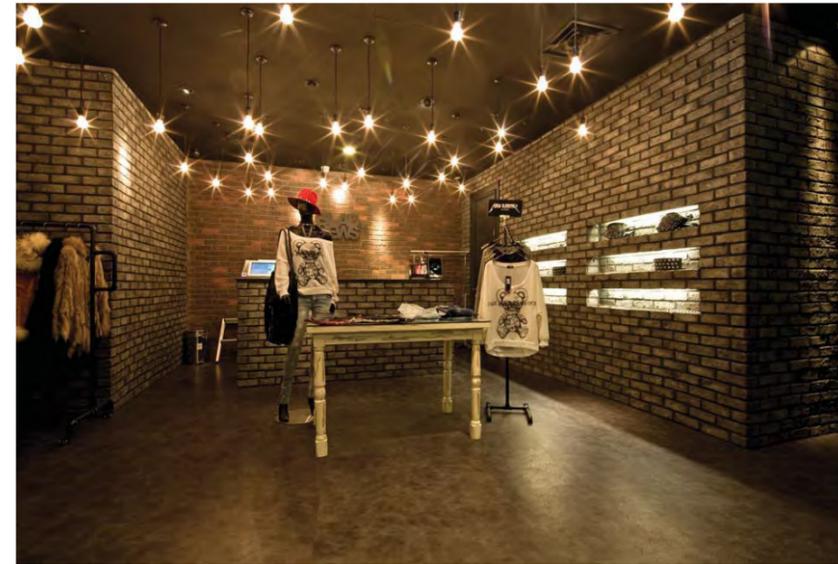

Bershka

completed date	2011.
address	360-51 Sindorim-dong, Guro-gu, Seoul, South Korea
project manager	Jinsun Park
construction staff	Soonjong Ju, Yonghee Kim
drawing staff	Okhee Park
maintenance staff	Deokjin Yun
store concept	Bershka is characterized by adventurous young people, who are aware of the latest trends and are interested in music, social networks and new technologies. Bershka shops are designed to be appealing to young people in a space where they feel comfortable, which means the shops are fun.

GLADNEWS

completed date	2011.
address	360-51 Sindorim-dong, Guro-gu, Seoul, South Korea
project manager	Jinsun Park
construction staff	Soonjong Ju
drawing staff	AnnsOOK Jung
maintenance staff	Hyuncheol Jeong
store concept	GladNews is a contemporary Japanese design label of ultra hip women's wear using special graphic prints and embroidered appliques. Perceiving its motif, the shop interior was designed to emphasize femininity and sexiness targeting stylish and edgy women.

PULL&BEAR

completed date	2011.
address	360-51 Sindorim-dong, Guro-gu, Seoul, South Korea
project manager	Jinsun Park
construction staff	Soonjong Ju, Yonghee Kim
drawing staff	Okhee Park
maintenance staff	Deokjin Yun
store concept	Pull&Bear takes the latest international trends, mixing them with the influences that are seen on the street. The store interior is designed to attach maximum importance to the fashion display. Space layout, furniture, lighting, music, visuals and all materials are carefully selected to offer the customer maximum freedom in his or her choice. The stores, just like the collections, are full of life.

Woori Bank

completed date	2011.12
address	450 Gongdeok-dong, Mapo-gu, Seoul, South Korea
project manager	Jinsun Park
construction staff	Inkwan Jeon
drawing staff	Shinhae Kwon
maintenance staff	Deokjin Yun
store concept	Woori Bank, the best bank of the Republic of Korea, provides general banking business space and also private banking space, zoning especially divided for customers' business efficiency. Antique finishing material and furniture arranged in harmony with modern line and surface, lies minimal while ennobling the atmosphere for the clients.

CALT

(City Air, Logis & Travel)

completed date	2011.12
address	159-6 Samsung-dong, Gangnam-gu, Seoul, South Korea
project manager	Sangho Lim
construction staff	Donsung Park
drawing staff	Eunyoung Kwak
maintenance staff	Hyeoncheol Jung
store concept	Most people entering the airport area stop by the ticket office, thus it should convey welcoming and friendly image, in harmony with the atmosphere. All the design elements play its role as public design: Monotonous counter harmoniously blend in with granite walls and blue signage design stands out to emphasize visibility.

YONSEI University Health System

completed date	2012.01
address	50 Yonsei-ro, Seodaemun-gu, Seoul, South Korea
project manager	Jinsun Park
construction staff	Kyusang Kim
drawing staff	Jiwoong Jeong
maintenance staff	Deokjin Yun
store concept	Yonsei University Health System contains offices, meeting rooms and a multi-purpose room (auditorium and studio). The office design is focused on its practicality and comfortability. It also uses maple solid wood as accent color raising its stability and dignity. Finishing materials at the multi-purpose room (auditorium and studio) was chosen considering auditory and visual system.

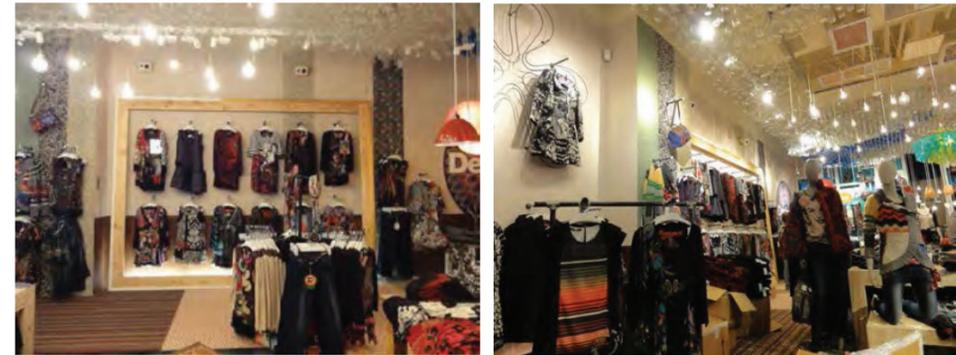

SPICY COLOR

completed date	2012.7
address	B114 'RAFFLES CITY' CHENGDU, CHINA
project manager	Jaehyun Son
construction staff	Kwanghun Park
drawing staff	Annsok Jung
maintenance staff	Hyeoncheol Jung
store concept	The shop is a mash-up of colours, textures and forms. Appealing to young teenage shoppers, the space reflects the Spicy Color brand's slogan: 'fashion is play.' SPICY COLOR store is designed to be a fashion playground where customers can have an enjoyable experience with various and interesting products influenced by POP-CULTURE.

DESIGUAL

completed date	2012.9
address	No.99, Daqing Nan Road, Jiangbei, Ningbo, Zhejiang
project manager	Tony Wang
construction staff	Kwanghoon Park
drawing staff	Okhee Park
maintenance staff	Hyuncheol Jeong
store concept	Spanish retailer Desigual makes no apologies for being unique. Like its colorful designs and eye-catching store fitouts, Desigual's corporate personality is bold, brash and confident. Desigual's first launched store in China which is designed by multi-colored glass bottles hang from the ceilings with antique, retro furnishings and traditional rugs illustrating the essence of the Spanish brand.

PULL&BEAR
